

## MassWildlife Lands User Guide

# Hog Ponds Wildlife Management Area

**Town:** Sandwich

**Acreage:** 25

**Wildlife Management Zone:** 12

### Description of property:

Hog Ponds WMA features white oak and pitch pine dominated forest with an understory containing common greenbrier and young white pine. This property is divided into 2 parcels which border Harlow Road and a nearby golf course.

### Location/Access/Parking

There is no formal parking area for this property but roadside parking and access can be obtained from Harlow Road in Sandwich.

### Hunting Opportunities:

Due to the proximity of homes, buildings, and roads, hunting opportunities on this WMA are limited. However, there may be limited opportunities to trap furbearers.

### Wildlife Viewing and Other Features:

Many wildlife species such as eastern coyote, white-tailed deer, wild turkey, gray squirrel, cottontail rabbit, and various songbirds use this property and provide for viewing opportunities.

### Special WMA Regulations:

None.
