## Provincetown Corridor Wildlife Management Area

**Town:** Provincetown

**Acreage:** 122

**Wildlife Management Zone:** 12

### Description of property:

The Provincetown Corridor WMA consists of multiple linear parcels along both sides of Route 6 in Provincetown. This habitat is dominated by pitch pine-mixed hardwood uplands as well as areas of shrub swamp and open dunes.

### Location/Access/Parking

There are no formal parking areas or access points. Some limited access may be gained by roadside pull-offs or by accessing the WMA through other protected lands which are part of the Cape Cod National Seashore.

### Hunting Opportunities:

None.

### Fishing Opportunities:

This WMA area contains a small portion of the far western shore of Pilgrim Lake and the eastern half of Duck Pond both of which contain warmwater fish.

### Wildlife Viewing and Other Features:

Some wildlife viewing opportunities may exist for migratory birds, particularly in the dune areas and shrub swamps, however access is extremely limited.

### Special WMA Regulations:

None.
