Moose Brook Wildlife Management Area

Towns: Barre

Acreage: 849

Wildlife Management Zone: 6

Description of property:

Moose Brook WMA consists of mature hardwoods, old apple orchards, overgrown fields, reclaimed fields, wetlands, and a powerline right-of-way.

Location/Access/Parking

Parking for this area is off of Wauwinet Road, Old Hardwick Road, Sheldon Road, Blair Road, and Old Dana Road. Each area can accommodate parking for up to 2 vehicles.

Habitat Management

Fields throughout this WMA have been reclaimed and fruit trees have been pruned for best fruit production. A majority of the WMA is mowed on a semiannual basis and a leased field is actively farmed.

Hunting Opportunities

With its variety of habitat types, Moose Brook WMA supports numerous game species such as White-tailed Deer, Black Bear, Wild Turkey, and terrestrial furbearers. The apple trees throughout the WMA provide a particularly attractive food source for many species of wildlife.

Wildlife Viewing and Other Features:

The powerline right-of-way offers excellent songbird viewing opportunities, particularly in the spring time.

Special WMA Regulations:

None
