Raccoon Hill Wildlife Management Area

Towns: Barre, Hardwick, Petersham

Acreage: 646

Wildlife Management Zone: 6

Description of property:

Raccoon Hill WMA is a hilly, forested property with moderate to steep slopes. Virtually the entire area is covered with mixed hardwood and coniferous forests except for the marsh and swamp habitat found in the central parcel of this multi-parcel property.

Location/Access/Parking:

Three areas, all in Barre, provide parking for access to this property. Users can find a dirt parking lot large enough for 5 vehicles off Spooner Road, a 5 vehicle parking area off Raccoon Hill Road, and space for 2 vehicles off of Dana Road.

Hunting Opportunities:

Habitat at this management area supports white-tailed deer, wild turkey, eastern coyote, red fox, raccoon, opossum, gray squirrel, crow, numerous small game and aquatic furbearers.

Fishing Opportunities:

Raccoon Hill Brook is a coldwater fisheries resource and contains naturally reproducing populations of Brook Trout.

Wildlife Viewing and Other Features:

The wetland complexes on this property are well suited for waterfowl and wading bird viewing as well as aquatic mammals.

Special WMA Regulations:

None.
